connected modules

1

student list for everything

270+

ready lesson worksheets

3

plans for every size

Signature features parents notice

The things your parents, teachers and owners will talk about from the first week.

01

Real-time Result Cards

Marks go in, the result card is ready — that same minute.

- ✓ Grades, percentage & class position worked out automatically
- ✓ One child or the whole class as a print-ready PDF
- ✓ Parents see results in the app instantly

02

School Leaving Certificate

Issued in seconds from the student's own record.

- ✓ Admission & leaving dates, class and conduct filled in
- ✓ Father CNIC, DOB and reason for leaving included
- ✓ Serial-numbered, professional PDF

03

WhatsApp Quizzes & Reports

Learning that reaches every home on the app parents already use.

- ✓ Practice quizzes from Play Group to Class 6
- ✓ Weekly progress report sent to parents
- ✓ Fee reminders & alerts with one tap

04

Worksheets Innovation NEW

Every lesson has a ready A4 worksheet — no photocopy hunting.

- ✓ 3 levels: support, core and challenge
- ✓ Answer keys and teacher guide built in
- ✓ Audio QR code so parents can help at home
- ✓ Quick marking + class report of weak skills

05

Parents App

Installs on any phone straight from the browser — no Play Store needed.

- ✓ Results, attendance and fee ledger
- ✓ Daily homework diary & notices
- ✓ All children of a family in one login

06

Online Admission

Your admission office, open 24/7.

- ✓ Online form, photo & document upload
- ✓ Application-fee challan and admit card
- ✓ Entrance test, merit list and enrolment

07

Online Paper Options — choose how every test is taken

Same question bank, many ways to test.

- ✓ Paper Studio: design & print term papers
- ✓ Daily tests printed for a class in minutes
- ✓ Online exam at a centre or from home, timed
- ✓ Tab-switch control for fair online tests
- ✓ Remote exams for students who are abroad or ill
- ✓ Photo upload of answer sheets, marks go to results

Finance & HR that **balance themselves**

Every fee collected and every salary paid is posted to the books automatically — so the day-end report is right, every day.

Fee & Finance

From challan to profit & loss

- ✓ Fee vouchers for a class or the whole school
- ✓ Family fee — search by CNIC, parent or student name
- ✓ Fee heads, discounts and family-wise fee
- ✓ Receipts, defaulters lists and student ledgers
- ✓ Bank list import for fast reconciliation
- ✓ Chart of accounts, vouchers & double-entry books
- ✓ Trial balance, profit & loss, day-end report
- ✓ Month-end locks and full audit log
- ✓ AI fee agent that drafts reminders for defaulters

HR & Payroll

Your team, organised

- ✓ Complete employee profiles with CNIC checks
- ✓ Departments and designations
- ✓ Salary structures: allowances & deductions
- ✓ Monthly salaries posted to the accounts
- ✓ Staff attendance and leave record
- ✓ HR dashboard with headcount and payroll cost
- ✓ Logins for principal, teachers and accountants
- ✓ Teacher-wise class and subject allocation
- ✓ Role-based access keeps salaries private

Voucher

printed or sent

Fee paid

at desk or bank

Books

posted automatically

P&L

live for the owner

Parent

gets a receipt

TEACHING & TESTING

Better papers, **less late-night work**

Ready question banks

Oxford Progressive English Books 1–5 and more, tagged by chapter and skill.

Paper Studio

Pick questions, set marks, choose a layout and print a professional paper.

Mastery tracking

See which topics each child has mastered and who needs help.

ONE SYSTEM, EVERY ROLE

Owner

Live income, defaulters, P&L and campus-wise dashboards.

Principal

Attendance, results, teachers and worksheet access control.

Teacher

Marks, diary, lesson plans, daily tests and quick marking.

Accountant

Vouchers, family fee, bank import and day-end report.

Parent

Results, fee, attendance and homework on the phone.

Student

Practice quizzes, online exams and lessons from home.

A VERSION FOR EVERY SIZE

Start small. Grow without switching.

Pick the plan that fits your institution today. Upgrade any time — your data stays, new modules simply switch on.

Basic

The essentials, done right

Small schools · up to ~300 students

- ✓ Students, families & admissions
- ✓ Student & staff attendance
- ✓ Exams, results & result cards
- ✓ Fees, vouchers & defaulters
- ✓ Simple expenses & fee reports
- ✓ Homework & class diary
- ✓ Promotions, calendar & backup

MOST POPULAR

 AI & Analytics

1

Free demo
We show the system with sample data at your campus or online.

2

Setup & data entry
We install, import your students and set your fee structure.

3

Training & support
Staff training and continued support after go-live.

**Cloud or on-campus**
Run online from anywhere, or install on your own computer with a licence key.

**Your data stays yours**
Role-based logins, audit log and regular backups.

BUILT ON WORLD-CLASS TECHNOLOGY

Modern, secure, future-ready

The same open technologies trusted by global companies — fast on a basic computer, reliable on a busy campus.

AI & AUTOMATION

Python

Powers the AI tools, question generation and smart reports.

BACKEND

Django

Secure web framework that runs every screen and rule.

DATABASE

PostgreSQL

Enterprise-grade database for safe, fast records.

FRONT END

HTML5 & CSS3

Clean screens that work on computer, tablet and phone.

MOBILE

Progressive Web App

The parents app installs from the browser.

MESSAGING

WhatsApp

Quizzes, reports and reminders straight to parents.

Proudly running at MySchool Jhang

MySchool Jhang uses MySchool ERP every day for admissions, fees, exams, result cards, worksheets and parent communication — the features in this brochure are live, not a promise.

Daily fee collection

Real-time result cards

WhatsApp quizzes

OPE worksheets Classes 1–5

Fast to start

Installed and running with your data in days, not months.

Pay for what you use

Switch modules on as you grow — no re-installation.

Safe records

CNIC-checked data, role-based logins and backups.

Works on any device

Computer, tablet or phone — nothing to install for parents.

Ready content

Question banks and worksheets for Oxford Progressive English.

Local support

Training and help from a team that speaks your language.

See it working at your school or college.

Book a free demo. We come to your campus or show it online, then handle installation, data setup and staff training.
